## SPECIAL SESSION.

MUCH IS BEING SAID about Gov. Williams calling a special session of the legislature for the purpose of legislating the Negro out of his right to vote. There may be in fact there are some misguided ignorant bull-bullies in Oklahoma who favor such a course, but no one who desires to be fair with our governor would accuse him of being a party to any such scheme.

Gov. Williams is above this kind of petty politics. He is governor of all the people of the state, Negroes included, and in discharging the duties of this high office he will not be unpledged into the transcendental region of political compunction where some others may be trying to drag him.

To call a special session to do anything to keep the Negro from voting would be in contempt of the U. S. Supreme court unless it applied to all races alike, without discrimination. But there is no need for calling a special session for the obvious reason that there are as many Negro democrats now in Oklahoma as there are republicans, if not more.

What the Negro needs most of all is to be let alone and allowed to exercise his right to vote, to his own way of thinking just as other men do. When this is done the democrats have nothing to fear but the republicans may have.

## STICKING TOGETHER.

THE BRYANT'S NATIONAL BENEFIT ASSN organized in this city last week has the best thing ever offered as an insurance if they do what they are advertising to do. For 40 cents per month they agree to pay each member's doctor bill, medicine bill, funeral expenses and \$1000.00 benevolent membership certificate.

The Tulsa Star office offered to print for this association 5,000 membership certificates, 5,000 application blanks, 5,000 folder receipt blanks, 5,000 dodgers and 500 constitution and by-laws for \$54.00. Our bid was in vain. Maybe we were too high. However, a local white shop printed 500 each of three of the jobs, for which the Assn paid about \$9.00. That's \$9.00 for 1500 copies as against \$54 for 20,500 copies. How do the prices compare? And yet some of these same fellows are constantly hollering "stick together."

THIRTY DAYS IN JAIL and a fine for a debt is certainly a bitter dose and an extortionate price to pay for a common hand-me-down suit, sold for so much down and the balance on terms of 50c a week, but such is the law as handed out by Justice Martin early this week in favor of the Mammoth Credit Clothing Co., which concern has made an enormous fortune off the Colored people of Tulsa.

KING CONSTANTINE has asserted his power and taken the reins in his own hand, taking sides with the French forces. His action is severely criticized by the triple entente powers, or the allies, but in the end this may prove the wisest course after all.

THE PLACE TO GET YOUR MONEY'S WORTH is at those stores which are advertising in this paper for your business. Our advertisers will not only give you bargains when you purchase from them, but they will treat you with kindness and respect. Try them.

JESS W. HILLARD, the said-to-be champion pugilist of the world was here last week the star feature of the 101 Ranch Wild West show and thousands of people took a look at the man for whom Jack Johnson took the count.

PRESIDENT WILSON is game to the core, whatever else may be said of him. Announcement comes from the White House that he is soon to be married again.

DOMESTIC HAPPINESS is "a consummation devoutly to be wished for" but none of us have any to spare.

EDITOR CHISM of the Tribune at Oklahoma City, is putting up a good stiff fight to say the least.

EVERY DOLLAR YOU SPEND at home is that much spent to build up your own town and to support your own family.

LET'S ALL PUSH now for the Colored hospital movement.

## BOOST A LITTLE BIT.

Anyone almost can be a knocker.

It's easier to tear down than to build.

So why not try your best to be a booster?

With pessimists the world's already filled.

You can't expect that things will always suit you.

In melancholy judgment then you sit?

No. Better far to help along a little;

Better far to boost a little bit.
